

You must attach a copy of your summer advisory slip (approved by your academic advisory) to this application if you have not already registered. No application for summer aid will be reviewed without the advisory slip attached or evidence through the Registrar Office of your enrollment. Students will be awarded aid based on the number of hours for which they are advised/registered. You must be enrolled for at least a total of six hours in the summer sessions (MM, SSI, SSII combination) to be eligible for financial aid.
