

## December 2015 Graduating Students Survey - Undergraduates

In December 2015, the Institutional Research office surveyed 236 graduating students. Of the 236 students surveyed, we received 177 responses for a 75% response rate.

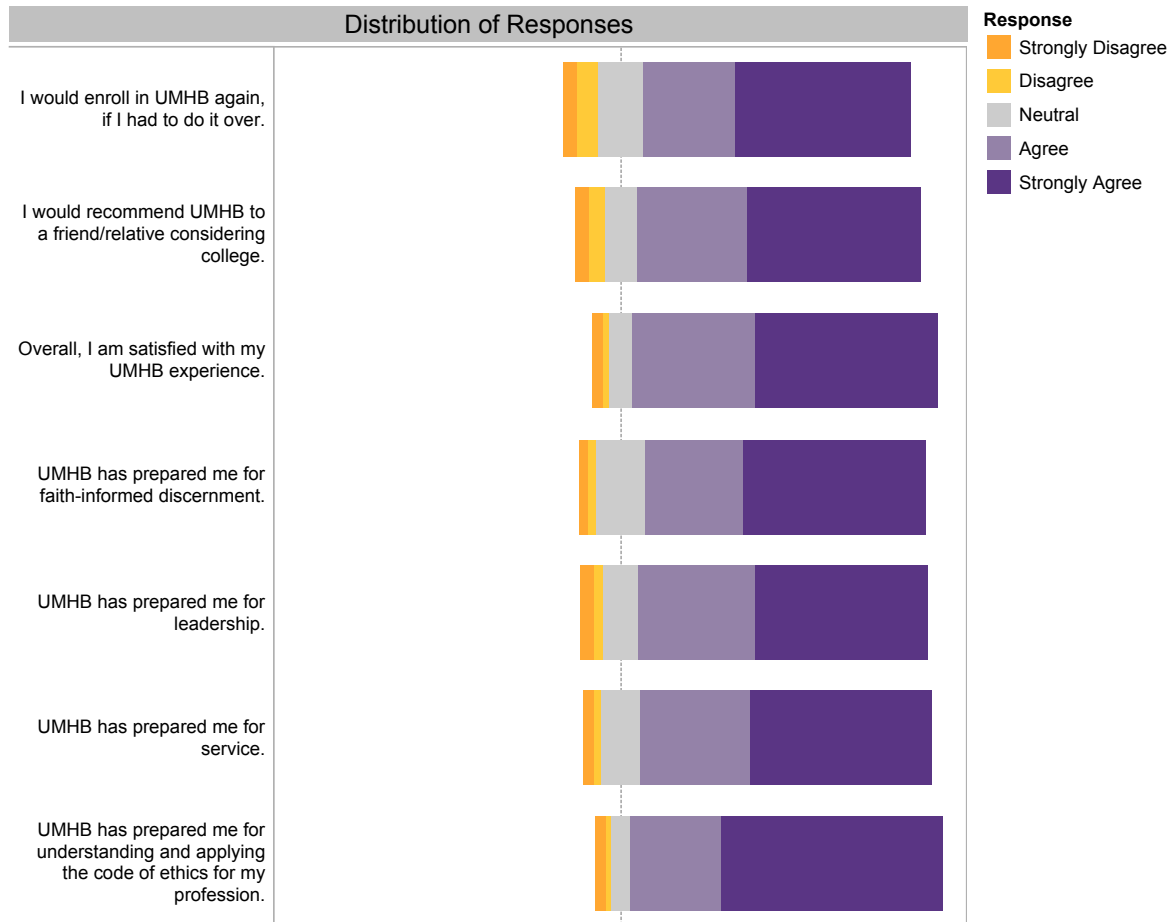

The workbook tabs contain the following information collected in the survey:

**Undergraduate Attitudes:** The survey contained seven statements the students ranked on a five-point scale.

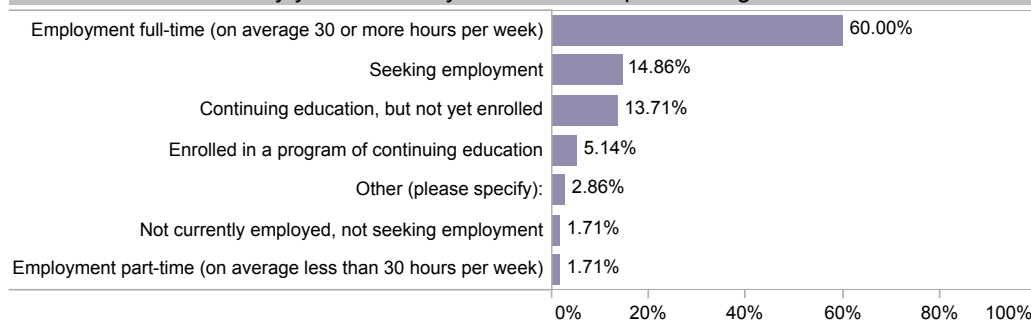

**Primary Activity & Employment:** Students were asked to select their primary goal following graduation. Options included: working full or part-time, going to graduate school, volunteering, and joining the military. Students who selected full or part-time employment as their goal were asked to list the name of their employer and their starting annual base salary.

**Career Services:** Students were asked which of a list of available career services they made use of while at UMHB.
