Instructions

Faculty:

- 1) Consult University Policy [ACA 3.36: Low Enrollment Courses and Independent Studies](#) to determine whether this course qualifies for an Independent Study.
- 2) Provide the student a syllabus designed specifically for this course, not a generic syllabus or a syllabus from a previous term.

Students:

- 1) Attach the syllabus from the instructor before obtaining the required signatures.
- 2) This completed form must be on file in the Office of the Registrar prior to registering for the Independent Study Course. It is suggested that the student bring this completed form and the advising slip to the office together.

It is agreed that upon completion of the course requirements, a grade will be recorded in accordance with the degree of competence demonstrated.
