## Churches

### **Abide Christian Fellowship**

To make disciples who make disciples by living and sharing the Gospel anywhere and everywhere

We are a young and growing church. We have limitless opportunities to serve. We have a number of ideas to utilize photography and even painting and drawing. There is still ample opportunity with our social media and graphic design. Our biggest upcoming projects will utilize the skills of people gifted in video and audio recording and editing. We'd love to meet you. We view everything we do as an opportunity to lead others closer to Jesus.

We're on a 2-week rotating schedule. Our park days are 10:30am at Heritage Park. Our community worship weeks are at 3:30pm as we are currently sharing space with Freedom Road Biker Church.

**Renewal Church**

North Belton Middle School

Renewal Church exists so that people will be made new in Jesus, grow in Jesus, and be released into the world for Jesus.

There are many opportunities to serve at Renewal Church! First, and most importantly, is that we aim to be a faith family that serves one another in everyday life. Life is built around relationships, and this is the primary way that Jesus served others when He was with us. Our hope is that people would serve one another through the Word, through actions and through blessings. This is executed by making Home Groups the primary way that you build relationships, and thus are able to see the needs of those around you, and through the leading of the Holy Spirit you are able to serve. Second, Renewal Church is a "mobile church", meaning that we do not have a church building. Everyone who is involved with Renewal serves on our "set-up team." This includes setting up the area that we gather for worship, hospitality and our kids area. Other areas to serve the faith family is home group leadership, worship team, sound and audio/visual team, the kids ministry, and our prayer team.

One service at 10 AM
